Dear Colleague,

The Virginia State Action for Education Leadership Project (SAELP) has identified, as one of its major strategies, the development of a professional development resource catalog for school leaders. The purpose of this strategy is to align professional development throughout the Commonwealth with the Virginia uniform standards for professional performance taking into consideration the ISLLC standards that structure preparation programs. The creation of this catalog is seen as a major step in assisting local school divisions in structuring leader development around the performance standards and moving more effectively toward increasing student achievement through appropriate leader behaviors.

Initially a print catalog is planned for the pilot phase of this project. We expect that, once the pilot has been completed, the catalog may be available on-line.

I would like to invite you to submit information about standards-based leadership development programs you have available for Virginia School Administrators to be reviewed for inclusion in this resource catalog. Your proposal can be completed on-line at [www.edpolicyvcu.org](http://www.edpolicyvcu.org). The form is in word format and can be downloaded, completed, and e-mailed to Dr. Diane Barker at [dbarrltd@aol.com](mailto:dbarrltd@aol.com). It must be submitted by July 15, 2005 in order to be considered for the publication.

If you have any questions or concerns, please contact Dr. Barker at [dbarrltd@aol.com](mailto:dbarrltd@aol.com) or by calling 757-258-3962.

Sincerely,

William C. Boshers, Jr.
